

60-Day LAYAW AY PLAN

The Modern Warriors 60-Day Layaway Plan is simple, easy and allows you to pay for your purchase over time. Our Layaway Plan is designed to allow you to take advantage of our great prices even if you don't have the funds immediately available. All items purchased using the Layaway Plan will be subject to a surcharge fee equal to 4% of the amount placed on layaway. To take advantage of our Layaway Plan, complete your order online as you normally would. Under the "Layaway Information" at checkout, click on "Apply Layaway to order". The system will automatically apply 80% of your purchase to your layaway account. The remaining 20% will require immediate payment via other methods (such as credit card). Once your order is received, we will take the item out of our inventory and activate your 60-Day Layaway Plan. During the 60-Day period, you can pay as you wish, just as long as the Layaway Balance is paid in full within the 60-Day period. Immediately following your final Layaway and upon receipt of the receiving FFL information, we will ship your item or make it available for pickup.

The Modern Warriors Layaway Plan is subject to change at any time without notice. At checkout, you will be required to accept the layaway policy prior to completing your purchase. Accepting the layaway plan as a form of payment will require a 20% non-refundable deposit (such as credit card) during checkout.
