## 90-DAY LAYAWAY PLAN

The Modern Warriors layaway plan is simple, easy and allows you to pay for your purchase over time. Our layaway program is designed to allow you to take advantage of our great prices even if you don't have the funds immediately available. All layaway items will be subject to a \$30 "layaway" handling fee. To take advantage of our layaway program, complete your order online as you normally would but select "Pay Deposit" prior to placing the item in your shopping cart. Upon receipt of a 10% - 15% deposit (depending on the item's purchase price), the \$30 layaway fee and all applicable shipping costs and upon receipt of our signed Layaway Acknowledgment Form, we will take the item out of our inventory and activate your 90-day term payment plan. During the layaway period, you can either make several payments or one final payment at the end of your 90-day term. Immediately following your final payment and upon receipt of the applicable receiving FFL information, we will ship your item or make it available for pickup. We regret that under no circumstances will the layaway item be held longer than 90 days. If we haven't received payment for the full purchase price, (including shipping, sales tax if applicable and layaway handling fee), when your 90-day term expires, your layaway will be cancelled and NO payments will be refunded.
