## **90-DAY PAYMENT PLAN**

The Modern Warriors Payment 90-Day Plan is simple, easy and allows you to pay for your purchase over time. Our Payment Plan is designed to allow you to take advantage of our great prices even if you don't have the funds immediately available. Not all items are available for purchase under the Payment Plan. If the item is available for purchase under the Payment Plan, you will have the option to select the Payment Plan at time of purchase. All items purchased using the Payment Plan will be subject to a \$30 surcharge fee. To take advantage of our Payment Plan, complete your order online as you normally would. Prior to clicking "Buy Now", select "Pay with Payment Plan" and choose one of the four Payment Plan Options. Your initial payment will include the 10% deposit, (calculated from the price of the product), plus all shipping and surcharge fees. Once your initial payment is received, we will take the item out of our inventory and activate your 90-day Payment Plan. During the 90-Day period, you can pay your payments as scheduled or pay them off early. Immediately following your final payment and upon receipt of the receiving FFL information, we will ship your item or make it available for pickup. We regret that under no circumstances will the Payment Plan be extended longer than 90 days. If we haven't received your scheduled payments when your 90-day term expires, your Payment Plan will be cancelled and NO payments will be refunded.
